Responsibilities

- Perform under tight deadlines and provide takes until one is finalized
- Ensure quality of voice remains consistent throughout the voiceover session
- Practice voiceovers to set quality and tone
- Communicate clearly and in a timely manner and collaborate with team members and directors
- Research character behaviors and traits to alter voice pitch and tone

Skills

- Ability to read eloquently from a script and deliver the same lines in a number of different ways
- Familiarity with character acting and voice over narration
- Able to skillfully control the voice
- Emphasize different words and use different emotions or accents
- Being flexible with last-minute adjustments

Education

- Northwest Missouri State University, BA *Theatre*
- National Shakespeare Conservatory, New York

My voice is an expressive baritone - tenor, your next door neighbor explaining how to fix a lawn mower, like a professor from your favorite class, and like a dad telling the kids to "keep it down back there!"

American English speaker with very clear diction, pronunciation and enunciation.
